STATEMENT

**November 7, 2016
FOR IMMEDIATE RELEASE:**

The Southern Regional Health Authority (SRHA) is reporting that the mother and baby who were the subject of a recent media report are doing well at the May Pen Hospital. The SRHA sympathises with the family for this unfortunate situation.

The report stated that the mother gave birth to the baby outside of the Chapelton Community Hospital's compound on Saturday, November 5, 2016, after being referred to the May Pen Hospital.

Preliminary investigations conducted by the SRHA immediately after the incident have so far indicated that the matter may not have been handled in accordance with established protocols and standards of the Ministry of Health and the Chapelton Community Hospital.

The SRHA considers any deviation from its established standards a serious matter. An in-depth investigation is currently being conducted and a more comprehensive report will be shared with the public shortly.
